

## Reminder - Parent Teach Meet - Wednesday 15th May at 5.00 pm

The focus of our discussion will be **home school communication**. This will include reports, curriculum content, day to day communication and how we gather parent/guardian views. All welcome!

Below is a summary of our response to your views from the first Parent Teach Meet:

<b>You said...</b>	<b>We ...</b>
You wanted more information about support available for Year 10 pupils and information regarding GCSE exams and mocks.	Published on our website: a 'Guide to Year 10'; information about exams in Year 10 and revision support available; guidance for exams.
You would like an opportunity for Year 10 pupils to hear about what the sixth form offers.	Have arranged for the Head of Sixth Form to run special assemblies for Year 10 after May half term.
You would like an 'option E' on homework menus for Years 7 and 8 as an opportunity for parents and children to create their own outcome.	Are adding an option to homework menus. For example:  <b>Activity F</b>  What else can you come up with to demonstrate your knowledge and understanding of the Amazon? Make sure you establish some success criteria before you start, then go for it!
You would like more information about what your child is studying.	Have created curriculum maps for years 7 – 11 to be shared on the new website.

**Ongoing -**

We are continuing to develop how we electronically share homework with parents/guardians.
