Dear Parents/Carers
End of Summer Term 2019

I would firstly like to take the opportunity to remind you that term will finish on Friday 19th July. I hope that you all have a good summer break and that you are able to enjoy some family time together. Please be advised that pupils should not come to the school site during the holidays, there will be no teaching staff on site after Friday 19th July.

I would like to thank all of you who have supported Ysgol Harri Tudur / Henry Tudor School in so many different ways over the course of this academic year. It has been a pleasure meeting and getting to know so many of you and I know that you will continue to offer your support to our new school and to your children. Thank you for coming to Parents Evenings, to concerts, to our academic evenings for Year 11, Open Evening last September and to the absolutely brilliant production of Hairspray. Thank you also for supporting your children in preparation for examinations and National Tests and sporting competitions. Very many thanks to those of you who have given generously of your time to support the launch of the Friends of Ysgol Harri Tudur, and to the inaugural Henry Tudor School Fete held on Saturday June 22nd. Please be reminded of the following;

School Website The new school website address is www.yht.wales. The school will use the website and school gateway for communication for the near future. Please help us aim to be a paper free school. All important school information will be on the website

Scooters, Skateboards and Bicycles at Ysgol Harri Tudur There is provision for the storage of bicycles for pupils during the school day, on a first come first served basis, in purpose built bicycle shelters. However, the racks are not lockable and pupils will need to supply their own chain/locks/keys to secure their bicycle. The bicycle shelters are within a locked area once school starts. There is no provision for the storage of scooters or skateboards and school will not be able to store them or keep them safe. Pupils are therefore requested, not bring/ride scooters or skateboards to school.

School Uniform. We are looking forward to seeing everyone arriving back at school smartly dressed in their correct school uniform in September. We have made details of the uniform widely available and know that many of our pupils continue to look forward to wearing it. Pupils are expected to wear the new uniform as specified and will be asked to go home or will be offered uniform from the school shop to wear if they are not wearing the correct uniform. We could also ring and ask you to bring correct uniform to school. It is hoped that a second hand school uniform shop will be established in due course and that parents can sell on uniform, that is in good condition,

All aspects of school life have reward and sanction points attached to them and pupils will be able to earn bronze/silver and gold award badges to wear on their blazers, alongside their house badges. Please also be advised that vandalism/deliberate damage to the building/school property will be treated as criminal damage and costs related to repairing any deliberate damage will have to be sought from the parents/carers of the pupils responsible.
